

RESOLUTION NO. 07-03-441

REVISE AND RESTATE THE TAP FEES AND SERVICE CHARGES
ESTABLISHED BY THE SANITARY ENGINEERING DEPARTMENT FOR
WATER AND SEWER OPERATIONS IN THE MIAMI COUNTY SANITARY DISTRICT NO. 1

Mr. O'Brien introduced the following resolution and moved it be adopted:

WHEREAS, the Miami County Sanitary Engineer has reviewed the current fees and service charges for water and sewer operations and has recommended revisions to the fees and service charges established by the Sanitary Engineering Department in the Miami County Sanitary District No. 1; and,

WHEREAS, the revisions are calculated to reflect the current cost of providing connection and tap permits and various services to water and sewer customers in the Miami County Sanitary District No. 1.

Now, therefore be it

RESOLVED, by the Miami County Commissioners, to revise and restate the following tap fees and service charges established by the Sanitary Engineering Department for water and sewer operations in the Miami County Sanitary District No. 1; and,

Be it further

RESOLVED that the effective date for implementing the revised fees and charges shall be as follows:

April 9, 2007
July 9, 2007

All Service and Connection Charges
Tap Fees. Prior to this date, tap permits for existing structures that are served by existing water or sewer lines may be purchased at the current cost for future connection to the specific property for which it was purchased.
